KOREAN WAR VETERANS ASSOCIATION

A MESSAGE FROM THE PRESIDENT OF K.W.V.A.

Dear Members: It has come to my attention that we have a few members that want to have their own rules on how to vote at our Reunion in Reno and not go by our By-Laws.

BY-LAWS STATE THIS:
A. The Election Of Officers of the Association shall be held at the Annual Business meeting.
B. The majority vote of members attending the business meeting will be required for the election of any nominee.

We have voted this way for seven years.
This is the same group that had stated, "that if we moved the Reunion out of Washington D.C. they would go to litigation over this matter."

OUR BY-LAWS STATE AS FOLLOWS:

Article IV - Section 1
An annual Reunion of the Association shall be conducted at a place and at such time and duration as determined by the Executive Council. The vote was eleven (11) to one (1) and three (3) absent to move to Reno. The written vote is on record with our Association Secretary. We will not be going to litigation on this. A few members seem to say "you go to the meetings, serve on the Boards and Committees, do the paper work, study the issues and take care of things that need doing. If things don't suit me, I will complain, criticize and do them my way."

If our members want to change the way we vote, the only way to do this is change the By-Laws in the manner strictly mandated in the By-Laws.

Your Association has grown from the original thirty-nine Charter Members to over ten thousand (10,000) and the growth continues. You as a Korean Veteran can be proud of your Association. We are now at the point that we need an office, better communication, once-a-month Newsletter to members. Talking about communications, we sent out a questionnaire to our Chapters and only 50% gave us an answer. Communication works both ways. We need a brochure to send to people who want to know about our Association. As General Davis stated at our board meeting, we need a permanent executive office.

Also over one hundred (100) Newsletters were returned because of wrong addresses. Please help us with this — if you move, fill out a change of address card. These can be obtained from your local post office, and send to Harry Wallace, P.O. Box 12205, Baltimore, MD 21287.

If you would like to be a host for a future Reunion, we now have a Time and Place Committee; Harry Wallace, Don Byers, Charles Dawson and Billy Smith; let them know what you can do. Their address is in the "Graybeards". They will make a report in Reno. I want our members to know that I have some great Officers and Directors to work with; they try to do things that are best for all the Association members — not for just a few.

DICK ADAMS
National President

THE GRAYBEARDS

VOL. 7, NO.4, June 1992

HERE IS THE JULY REUNION AGENDA

As you know the 1992 Korean War Veterans Association, Inc. Reunion will be held at the John Ascuaga's Nugget, Sparks, Nevada (RENO) This is the 8th Annual Reunion and Memorial Service. More importantly it is the first to be held in the West — "Plan to Attend!"

Friday July 24, Board meeting. Saturday July 25, registration.
Sunday, July 26th, 1992 is our Business meeting and election, starting at 9:00 a.m. — And from 7:00 p.m. to 10:00 p.m. we will have a dance and entainment.

Seminars are planned for Monday July 27th, 1992, from 9:00 a.m. to 12 noon, as follows:
2. Presentation of the role of the Medical Corps in Korea, with slides, photos, displays, active participation by many who were medical personnel; by Col. Bob Hall, M.D. USA Ret. SEE PAGE 15 FOR MORE.
3. The stories of POWs in North Korean camps, as told by ex-Prisoners Of War.

July 27th, 1992 at 4:00 p.m. we will have a Memorial Service to honor our war dead.

Our guest speaker on the evening of July 27th, 1992 will be Colonel Dave Hackworth, (Ret.), Newsweek correspondent and author. Mr. Hackworth is a veteran of both Korea and Viet Nam.

Master of Ceremony will be Colonel Lloyd "Scooter" Barke, (Ret.), Medal of Honor Recipient; Korea.

General Ro, Secretary General of the Korean Veterans Association of Korea will also be our guest.

Ceremonial ground-breaking for memorial was held June 14 about 2:30 p.m.

NEXT PHASE: IN January 1993 (next year) dump tons of clay onto the site; bulldoze flat; let settle for about six months to soak up ground water.

AFTER THAT: In about spring of 1993 (May? June? July?) begin driving support columns deep into the ground.

See photos on page 2.

Special memorial ceremony was held at Arlington Amphitheater at ten a.m. See photos on page 27.

KWVA had only a SMALL part in the ground-breaking arrangements and NO AUTHORITY over events. Special thanks go to Blaine Friedlander and Ray Donnelly — and many others — for their efforts; and an even more special thanks to JACK MURRAY for all his work in the Arlington ceremony.

WE ARE NOT AT FAULT! When General Kelley NEGLECTED TO INCLUDE our POW representatives in a photo session with President Bush, we could not reach his ear!
See the story "Our ex-POWs should have been honored" on last page!

FLASH NOTICE: As Graybeards goes to press on June 16, the TV news channels are carrying reports of Korean War POW/MIA actually being held in Russia camps. Is the long-covered truth going to come out at last?
BLEACHERS CLOSEST TO THE SITE. The "VIPs" are staff employees of the White House, families and friends; mostly non-veteran. A few of KWVA did persist and sat there.

In Line for "what do we get??" turned out to be very special tee shirts with words "ground breaking June 14, 1992." One government official grabbed 40 shirts. Why?

Survivors of Task Force Smith were seated in the special podium section, with MOH recipients, other federal government people; foreign governments representatives.

This area was supposed to be kept clear, to the red ropes.

THE SITE BEFORE NOON.

Extending to right: veterans and families.

Gen. Kelley (Chairman of ABMC) announced that special representatives of various groups would be ushered into a tent for photo session with President Bush. But he neglected one special very important group, and a few minutes later — after being forcibly reminded by visibly-upset Gold Star Mothers, he amended his statement to include our Gold Star Mothers in the photo-op session with Pres. Bush.

KWVA officers were not on the podium when Gen. Kelley made his remarks and his amended statement.

"Way down yonder are more veterans and families.

BREAKING GROUND FOR THE MEMORIAL

One of our Gold Star Mothers.

Pres. Bush said: "To our Korean War veterans, a grateful nation thanks you for what you did. For stopping totalitarianism the entire free world still salutes you. The length of time it has taken for this day to arrive only adds to the depth of our gratitude."
I am enclosing a check and application for membership in the Korean War Veterans Association. My husband was in the 1st MAW, VMFN 513, K-1 Field, Mag 12 or Mag 15. I can't remember which, in Pusan, Korea. I do know he was in a night fighter squadron and flew in a two seater F7F as a radar operator. He was at K-1 Field, Pusan, Korea.

My husband was reported missing in action on October 30, 1951, then his status was changed from MIA to KIA on May 3, 1954. The last communication I have had about him was from the commander of the Marine Corps on January 24, 1956 when I received a letter from the Department of the Navy, Casualty Section, signed by J.A. Weatherspoon, Commandant of the Marine Corps, stating that a report had been received from the Army that there had been an extensive search of the areas under their control for remains of Americans who lost their lives in Korea and that my husband's remains had not been recovered and had not been returned by the Communists. They also stated that the remains of Master Sergeant LEON FABIAN DE VILLIER were unrecovarable.

The purpose of this letter is to make sure my husband's name is included on the Korean War Memorial. Please advise. If you publish this letter in the Graybeards, I would like to hear from anyone who knew my husband. Over the years I have lost contact with our Marine Corp friends. I contributed to the Korean Memorial Fund through my membership in the Gold Star Wives. I am very interested in any information regarding MIA's, KIA's and prisoners of the Korean War and any attempts to recover the remains of these heroes. I was not contacted by anyone concerning the Korean War Memorial. I found out about it through the Gold Star Wives Newsletter and Graybeards.

My husband enlisted in the Marine Corp on August 25, 1942 in New Orleans, Louisiana. We were stationed at Edenton, N.C., Cherry Point, N.C., and El Toro, Calif.

Thank you, — MARGARET M. DE VILLIER; 2262 La 319 Franklin, LA 70538. 2-3-92.

EDITOR'S NOTE: Mrs. De Villier we must tell you that your husband's name will not be on the Korean War Veterans Memorial, as now planned. The authorities appointed by President Bush have decided otherwise; please refer to the April edition of Graybeards, pages 4, 5, 6, 7, and 9. I am sending you that copy under separate cover.

1ST LT JOHN SHADDICK, B-29 PILOT
M.I.A./OPERATION BIG SWITCH

JOHN SHADDICK, 1ST LT B-29 pilot, was shot down in January 1953 over Wonsan, North Korea. He is listed as one of 389 M.I.A., known to be in a P.O.W. camp in 1953 by a few USAF captives.

At 'Operation Big Switch' he was said to have been put on a truck that turned around and went north — and freedom was to the south — thru the gate; possibly shipped to China and on to Russia.

I talked with him at Camp Stoneman in early January 1953 on my way over. When I arrived in Japan, he was in the Stars & Stripes listed as M.I.A. Feb 1953. Some of the crew from his B-29 survived. One was a tail gunner, with leg shot off by a MG shooting from the rear. He might know something — if he is still out there somewhere.

If you have any information, please write me: S/Sgt RODNEY S. HARPE; 3067 Grabe Ave.; Miami, Fl 33133; or phone 305-859-9883. May 2, 1992.

My brother, Corporal ALFRED LOPES, JR. RA15297270 was a member of HQ BTRY, 15th FA BN 2d INF. Division and became a MIA on February 13, 1951 when his outfit got involved in heavy combat as his unit was breaking an opposing forces roadblock in the vicinity of Hoesong, Korea, when his unit arrived in the town of Wonju, DS 085334 coordination he was missing. He is an original member of the 389 MIA listed and believed a POW as stated by returning POW's. If you know of any information regarding his situation please contact 1ST LT Robert Lopes USMC (Retired) at P.O. Box 651, Palm Springs, California 92262, Tel (619) 322-5807.

PFC SAMUEL R. OLIVER, USMC
M.I.A. 1952

HOMETOWN CHICAGO ILLINOIS

Sam and I were close friends for the two years preceding our enlistment in the service. During the early months of 1951 we both enlisted in the Marines. Sam was 17 or had just turned 17 and I was just barely 16. Sam made it and I was turned down because my fake ID would not pass the inspection of the enlistment officer. I tried a few more times and always the same result, in October of 51 I decided to try the Air Force and this time made it.

We wrote once or twice and Sam sent me a few photos and I sent him. In either the late part of 1951 or the early part of 1952 Sam was sent to Korea and, the next information I got on him was from my folks, that he was MIA.

I was sent to Korea in late 52 or early 53 and while there I tried to locate anyone who might have known what happened to him but I had no luck in finding anyone who knew him.

So much time has passed I am really fuzzy about his outfit etc. I think he was in the 1st Marine Div. and that's about it. On a trip to Hawaii I did locate his name on the wall at Punchbowl cemetery and it had him listed under the USN and not Marines, I do know he was MIA in ground fighting.

I hope one of your readers might be able to remember something and fill me in. —RICHARD D. FEILER; P.O. Box 405; Ardmore, Oklahoma. 73402.
CPL HENRY DICKSON
B BTRY 57 FA. BN
M.I.A. DEC 6, 1950

Did you know my brother, BEN HENRY DICKSON? He was a Corporal in the Army when he became missing in action in the vicinity of Hagan-hi, North Korea on Dec. 6, 1950. BEN was a cook with the 57th Field Artillery Battalion. His personnel file stated he was with the 7th Infantry Division. This is the way he addressed his last letters to us: CPL BEN H. DICKSON; 142 68 104; B Btry, 57 FA BN; A.P.O. 7 Unit 5; c/o P.M.; San Francisco, Calif.

BEN’s name was called over the Chinese radio but the Army said it must have been propaganda. My mother wrote the P.O.W. camp and her letter was returned with a statement of, “we don’t have him.”

When BEN was a PVT in Seoul, Korea on 30 May 1948, a Howitzer on the Div. Art. Compound ran over his right foot and broke it. When we last heard from BEN he was twenty years old. He had fair skin, gray eyes and red-auburn, curly hair. I am enclosing three pictures of him and his Army friends.

At the time the family lived in Holcomb, Mississippi in Grenada County. If you remember my brother, please call collect 601-238-3469. My address is: MARTHA D. RUSSELL; 306 Old Walthall Rd.; Eupora, Miss. 39744. May 23, 1992

A REPLY TO APRIL STORY

TO: Mr. Robert Ostrowske; 2614 Canfield Road; Akron, Ohio 44312. Dear Sir: Yesterday I received and read the article entitled “I am looking for Harry M. Chinen” which appeared on page 27 of the April 1992 issue of the newsletter of the KOREAN WAR VETERANS ASSOCIATION.

Recently I sent for and received (for $48) a list of all the KIA’s during the Korean “Conflict”. In the alphabetical listings, on page 68, the fifth name from the bottom reads “Chinen Harry M.” The entire listing reads as follows:

AKR A14205 CHINEN HARRY M
A stands for Army, KR for Korea - in other words he was an army casualty in Korea. A1 stands for Killed in Action. 4205 means he was the 4,205th man killed in action in the war (officially). Then comes his full name.
791110103250 CPL E4510103 V
Every listing has a 79 next. The next two numbers, 11 stands for his “File reference number” whatever that is. The 1010250 is his serial number, CPL is his rank at time of death. E4 means the same thing as CPL. The 510103 means he was killed on January 3, 1951. V means he was a reservist.
HAWAII 12 30 ZM110 510103 11X
HAWAII stands for where he enlisted from. 12 stands for what is now the state of Hawaii. 30 means he was born in 1930. M means he was of the Malay race. ZM110 is a filler that every listing has. 510103 is the date he was officially declared dead. 11X is found in every listing.
If you want to get a listing of all the KIA’s in the Korean Conflict write: National Archives Trust Fund Board; Washington, DC 20408. You can get the list either in chronological order of death or in alphabetical order. The cost is $48.

I am sorry to give you such bad news, Bob. May you have good news in the future.

PVT JOSEPH B. LOPEZ
24TH INF DIV
M.I.A. JULY 11, 1950

JOSEPH B. LOPEZ (Pvt.), was a member of K Company, 21st Infantry Regiment, 24th Infantry Division, when he was reported missing in action on July 11, 1950 near Chochi, South Korea. His body was never recovered and there was never word that he had become a POW.

In behalf of the man's family, I am trying to locate anyone at all who may have served in his unit during the battle for Chochi and who may be able to shed some light on Joe's demise and perhaps the circumstances surrounding that action. I have read in a couple of history books short accounts of the battle and that most of the American troops involved were lost in one way or another. It was a very bad time for our troops.

If you know of anyone who may have served in the 21st Infantry at that time or who may have some knowledge of it, I would be pleased to have their names and address so I can write to them. Any guidance you can give will be greatly appreciated. As I believe you gentlemen are members of the Korean Veterans Association, perhaps you could include this request in your newsletter in hopes that some member can help me. I and Joe's family will be very grateful for your help.

AN APOLOGY FROM GRAYBEARDS

Let the record be set straight:

In April Graybeards we carried a story from Mr. and Mrs. Keith Bennett of Conneaut, Ohio. BY MISTAKE ON THE PART OF THE GRAYBEARDS EDITOR it was stated that Keith had been a P.O.W. The following came from them:

"Please state in the next Graybeards that Keith Bennett of Conneaut, Ohio wishes to set the record straight that he does not have the distinction of being an ex-P.O.W. This error was made in publication and not due to any errors made by Mr. and Mrs. Keith Bennett. Also may add: the quote 'All those men buried in the ground' was a remark made by a small little girl at the moving Wall. The little girl made the remark 'All those men are buried in the ground.'"

FOR DIRECTOR: "For the past three years it has been my honor to serve you as a member of the National Board of Directors. During my term of office I have labored for KWVA agendas which include: Fundraising for our memorial, chairing the Resolution Committee, heading the Commemorative Coin bill legislation, co-ordinating the Korea revisit program, 1991-92 and striving to further our relationship within the Korean Diplomatic Community and The Korean Veterans Association, both in Seoul and the U.S. Departments.
* I have traveled extensively, at my own expense, for KWVA to meet with hundreds of K-Vets. Each one commands my respect, in addition to capturing my love. It is my hope you will permit me to continue with my efforts on your behalf.
* I joined the USAF-Nurse Corps after my first husband, a USAF jet fighter pilot, was KIA over North Korea. I was assigned to the 31st Medical Wing, SAC, Turner AFB, Georgia from July 1952 to November 1953. My husband, Al Wyosnick, USAF-Dental Corps (1952-54) totally supports my dedication to our association and it's entire membership.
* "Life Member #:2331, Charter Member-Santa Clara County KWVA Chapter.
* Honorary Member: Northern California-Redding Chapter; Minn. Chapter #1; 7th Cav-Korea; Louisiana KWVA; Canada Unit 13.

In May of 1951 I was called to duty with the 712 AAA Gun BN of the Florida National Guard, the only ground combat unit from that state. I have served as Platoon Leader, Battery XO, Battery Commander and in Korea, "52-'53, I served as BN Intelligence Officer and Assistant S-3.
* I graduated from St. Theresa High School in Coral Gables, Fla. I received my Bachelor of Arts degree from Florida International University in 1976.

CELEBRATION, PARADE, DEDICATION

Come to Nashville for a celebration, parade and
dedication of a State Memorial in honor of KOREAN WAR

We accomplished the original mission of the United Nations:
repel the armed attack and restore international peace and security in the
area. This will be celebrated Friday night July 3 at a dinner, conference,
and maybe a big band dance. Veterans will be given a chance for their
own brief remarks or a short war story. Food will be furnished by the
Nashville Korean community.

Saturday the parade will begin at Broadway and travel seven
blocks to the Legislative Plaza on the Capitol grounds. It will be led by
the 101st Airborne Band, color guard, and fifty marching troops from Ft.
Campbell, Ky. The Naval Air Station at Memphis is sending the "Cracker
Jacks" and the "Flying Rifles". About forty men. The Korean Communities
at Ft. Campbell, Nashville, Memphis, Knoxville, and
Chattanooga are being invited to participate.

You, the Korean Veteran can choose to march or ride
in the parade. Patches of the major units in Korea are being
blown up on poster board so you can march with the unit in
which you served.

Of the 5.7 million Americans in service during the period only
1.5 million went to Korea. So come and join in whether you were in
Korea or not. You had a good home and you left... you're right!

The Consul General of the Republic of Korea from Atlanta and
the Governor of Tennessee will be the featured speakers. The ceremony
will be short and should be over by 1:30 or 2 o'clock.

The Nashville Metropolitan Government sponsors a giant
celebration, music and entertainment at Riverfront Park beginning at 4
PM. Fifty thousand or more people attend. It is climaxed by a huge,
brilliant fireworks display. Really something to see.

Or you may choose to go to Opryland Country Music Hall of
Fame or the many other attractions found in Music City USA. Y'ALL
COME!

CALL 1-800-925-1297, leave your name, address, and
phone number so a form to fill out can be sent. We need to know how
many to prepare for. Also you will receive a brochure on the Korean War.
A high school teacher said it had more and better information than the
text book. The director of Youth Education at Middle Tennessee State
University is considering using it as a basis for a supplement to the
Tennessee text book!

HERE'S A CHANCE TO TELL YOUR STORY!
Korean War Anthology

YOUR STORY is needed to complete what may be a last chance to tell fellow countrymen about the most misunderstood war in America's history. Only those who participated in some way--directly in the fighting or in support commands--can feel what it was like to prosecute a war that many Americans wished only to forget. The forgetting started even as the war progressed, and went full force when it ended.

But we remember.
The stories I want can take any form -- journal notes, letters, news clips, poetry, song lyrics, etc. -- as long as they relate your personal experiences and observations, either as a military person or a civilian caught up in the struggle. Some stories tell of the fighting, some of bravery, some of fear and cold and weariness, some of capture, some of life in noncombat areas; some are about what it feels like to wait at home for a loved one to return. Some are stories by Koreans themselves; they reveal features of this war that most of us never imagined.

Use this chance to tell your story. Full details on how to prepare and submit them can be had by sending a SASE to me: RONALD J. LANDRY, 1229 Dana Street, Camarillo CA 93010. 805/484-1518 Work.

GRAYBEARDS is trying with this edition, to establish a regular feature of news from various chapters. Some of what we print here is late news -- and we know it. Sometimes that happens when you expect me to re-write your long items, and I do not have the luxury of that many required hours. Please send your items for printing (preferably in short and sweet writings) directly to Stan Hadden. (That is, if I am still your editor after July take-over effort).

**Cross-Country Bike Ride California to Our Memorial Site Starts June 25**

When Marine Lance Corporal Dan Leach returned home on leave from Operation Desert Storm, he expressed a desire to return some of the outstanding support given to our troops during the Gulf War.

The idea came to support veterans of the Forgotten Korean War. His letter requested to ride on bicycle from Camp Pendleton, California across the country to the site of the planned Korean War Veterans Memorial in Washington, D.C. was granted.

When Dan’s executive officer, 1st Lt. Andrew Petrakne, and Sgt. Douglas Butler learned of Dan’s ride they requested permission for the honor of riding for the Korean War veterans.

"These Marines have my permission and full support for the ride and will be given the time from June 25 through August 1, 1992, to complete it," said Lt. Gen. Gary Holmquist, 1st Combat Eng Bn. The three 1st MarDiv Marines, veterans of the Gulf War, have been training rigorously for several months. They are scheduled to leave on June 25. A support vehicle will carry large banners on both sides that will read “Thank you Korean Veterans.”

NO MONEY will be solicited; this ride is intended to raise national awareness of the Korean War. Those asking to contribute will be given a suggestion to donate to Korean War Veterans Association in various states and regions or to the various Korean War memorials. There is no professional fund raiser involved or being paid in this project.

Donations are being sought to provide necessary equipment for the awareness ride. Bicycles, support vehicle rental, gas, food and other expenses must be met. An account has been set up through the Rangers Infantry Company Airborne of the Korean War (R.I.C.A.). Contributions may be sent to: R.I.C.A.; Bike Awareness Fund; P.O. Box 67-A-66; Los Angeles, CA 90067-1066. (A non-profit organization).

This story was sent by Thomas J. Scheper’s “in Country” for the Minnesota Korean War Veterans, Chapter 1. Tony is a Viet Nam veteran and an honorary member of the Minnesota chapter.

**Where to Find This Book?**

"I am trying to find, to purchase or borrow, a copy of Volume VI, "The East-Central Front," of U.S. Marine Operations in Korea. Volume VI, part of a set of five volumes (the other four I have) has been out of print for a long, long time. It is not even available through the Superintendent of Documents, U.S. Government Printing Office. I believe Volume VI has a Library of Congress Number of: 56-60727.

"So, if anyone out there has a copy they don’t need, I would be glad to purchase it, or even be willing to lease it in order to make Xerox copies. Thanks for your help."

MEMORIAL DAY 1772

Off to the side of a cemetery on a hill, near the dusty chicken-wire fence, is a veteran's grave. Faded old plastic flowers, placed there last spring, months ago stopped providing color to the site. Now there is only the green grass and the bronze grave marker to focus the attention. Died, 1944.

Exactly like the other white stones, row upon carefully aligned row, is the one in Arlington National Cemetery for a lad who had never been out of his home county... until he went to France. Died, 1918.

Deep in the woods of southwestern Virginia is a small family plot. Many of its graves are marked with crudely-cut fieldstones. Barely-legible inscriptions, chiseled by hand, give the briefest of biographies. In front of one someone recently has placed a small Confederate flag. Died, 1864.

A middle-aged woman with grown son and daughter beside her searches a black granite wall in Washington, D.C. Her eyes fall upon a name and her fingers trace the lettering. "1968," she mumbles.

WHAT'S MISSING HERE? NAMES OF KOREAN WAR KIA/MIA WILL NOT BE VISIBLE EVER TO AMERICA. HOW CAN YOU REMAIN QUIET?

Awkwardly, without the snap which marked their movements decades ago in basic training, an honor guard of veterans clad in navy blue blazers comes into line. Then, they straighten and hold, stiffly, as a commander crisply shouts them to attention. Another command and old rifles are brought to their shoulders. "Fire!" and a half-dozen M-1 Garands bark as a salute shatters the calm.

Soft, mournful strains of "Taps" fill the air. "Day is done gone the sun..."

It is Memorial Day, 1992

Since our nation was founded two centuries ago, more than 1.2 million of the United States' sons and daughters have been claimed by war. They perished on the decks of small sloops outgunned by British men-of-war during the Revolutionary War, and vainly trying to protect their new capital during the War of 1812. They fell storming a citadel in Mexico City. Lads in blue died at their guns as youths in gray fell in front of them during the Civil War. Young Americans were claimed by malaria in hot, muggy Cuban hospitals during the Spanish-American War. Choking, excruciating death claimed doughboys exposed to poison gas during World War I. Shot from the sky, American flyers crashed and died to stop a two-pronged threat during World War II. Bitterly cold and facing overwhelming human wave attacks, young Americans uncertain why they were fighting were killed during the Korean War. Anxious only to get home, more of our countrymen struggled through the jungles of Vietnam only to be slaughtered by land mines and booby traps. And finally, unable to share in the joy of victory, scores of Americans perished in the Middle East.

Their sacrifices were the price paid to guarantee that for one more 200 years Americans have enjoyed the most prosperous, free nation on the face of the earth. Today, we honor them.

"THE VA... CAN GIVE AWARDS TO... WHO ARE ON PROBATION..."

"Working at a Veterans Administration Medical Center, I see first
hand the injustices of the system and the victims are the veterans. The
local VA can't afford to stock crackers and other nourishment on patient
wards, but they can send incompetent managers to retreats and seminars
to play with other incompetents; they can give awards to supervisors who
are on probation for committing felonies; they can buy new modular
furniture and carpeting; and the list goes on. My heart aches for the
treatment given to our veterans. Where does it end?"
—N.H. (Name and address not revealed for a very real fear of retribution
from VA local offices).

EDITOR'S NOTE: "Fear of retribution?" Hey — doesn't that recall the
days of WWII when we heard everywhere the words 'fear of retribution for
criticizing the Nazi regime'? That's enough to give me pause for
thought: I note in the media stories about Ross Perot who said he would,
when elected, have his management team go into every department of
federal government and dig out problems and their causes. Should he
be elected, such a management technique would definitely not suit the
misdeeds cited in the letter from 'N.H.' Until that event, I do not expect to
see any corrective steps taken.

Another letter in similar vein also was received:

HE BELIEVES TWO CONGRESS BILLS NOT ENOUGH FOR VETS MEDICAL CARE

WILLIAM J. WALSH; 77 Tibbetts Town Way; Charlestown,
MA 02129 (2-14th Inf 25th Div 1953-54) sent two letters that he urges all
veterans to send their congressional delegation in Washington.

Graybeards will take both letters to the Board of Directors
meeting in Reno on July 24; first consideration for adoption must start
there ...

William said this: "Could you possibly print these in a
forthcoming issue? Vets should know what's in their future as to medical
care, etc. We must always be at war with our government on what is our
due! This should not be necessary. Our government trusted us to fight; we
ought to be able to trust them to heal our wounds."

Excerpts from his letters for Congress are as follows:

Dear Concerned Elected Official: The Secretaries of the VA and
HHS early in 1992 attempted to admit rural nonveterans into VA hospitals
for treatment ahead of veterans. Angry veterans rose in furor. The
President stopped them. Many war veterans today still cannot get needed
care. Senator Pryor charges: 'Daily large numbers of veterans needing
care are turned away from and are shunned by VA hospitals. This
TRAVESTY MUST STOP! IT IS TIME TO ENACT NEW VETERANS TOTAL
HEALTH CARE ACT 'OF 1992' enacted immediately, as follows:

1. UNITED STATES WAR VETERANS ONLY ARE
ENTITLED TO RECEIVE TOTAL CARE AND EACH WAR
VETERAN SHALL RECEIVE TOTAL CARE AND TREATMENT FOR
ANY CONDITION EACH HAS DURING THE VETERAN'S
LIFETIME. THE DEPARTMENT OF VETERANS AFFAIRS SHALL
PROVIDE ALL TOTAL CARE AND TREATMENT WITHOUT
COSTS.

2. "PUBLIC LAW 99-272 IS HEREBY AMENDED TO ADD
AND TO ESTABLISH THAT ANY WAR VETERAN WHO SERVED
IN THE UNITED STATES MILITARY FORCES IN WAR DECLARED
OR UNDECLARED, SHALL BE A CATEGORIZATION OF ELIGIBILITY
UNDER PUBLIC LAW 99-272 AND THE DEPARTMENT OF
VETERANS AFFAIRS SHALL PROVIDE ALL HOSPITAL AND
NURSING HOME CARE AND TREATMENT THAT WAR VETERAN
SHALL NEED."

"Two Bills, S. 2248 and H. R. 4278, now in Veterans
Committees, fall woefully short of giving ALL WAR VETERANS THE
HEALTH CARE THEY NEED! These Bills MUST BE VOTED 'NO'
AND THIS IS IMPERATIVE! Among other glaring inadequacies, they
REQUIRE VETERANS TO PAY FOR VA HOSPITAL CARE AND
TREATMENT! VOTE NO!!

"We, the war veterans of America, ask you to help enact into
law this totally new and urgently needed "WAR VETERANS TOTAL
HEALTH CARE ACT OF 1992' "

"A NEAT LITTLE WAR"???
LET US "EXPOSE THE M*A*S*H MYTH!!!"
(Special to the Graybeards)
Larry Gelb* Editor of the M*A*S*H (the asterisks were
added by 20th Century Fox) TV series, in an Oct. 1984 lecture at The
Museum of Broadcasting in New York City summed up the horror of
what happened on the Korean peninsula between June 25, 1950 and July
27, 1953 as a "neat little war." That descriptive phrase, however, is an
accurate assessment of his own grossly inaccurate perception of the horror
and sacrifice of all who were involved. Tragically, Gelb's myth has
become America's perception of the conflict. Not only did Gelb, but the
producer, writers, and Robert Altman, the director of the
M*A*S*H film manifest contempt for the historical record, but all were
involved in the scam to con a goodly portion of the world into believing
that M*A*S*H was about the Korean War.

Contrary to what the producers of the film and TV series would
have you believe, M*A*S*H is a product of crass commercialism,
packaged to target the most gullible demographic. Time Magazine was
right on target in its appraisal of the TV series. Although M*A*S*H
was situated in Korea it was really about Vietnam. But in my estimation,
M*A*S*H was much more about box office receipts and TV ratings wars
than it was with either the Korean or Vietnam wars. From its inception,
life in the film and TV's M*A*S*H compound was conceived as a
microcosm, an hilarious metaphor for the two wars. Barring a few
exceptions, each neatly packaged M*A*S*H episode was timed for
commercial breaks and edited to the demands of a laugh track so that the
viewer not miss the joke. Like Pavlov's dog, which was conditioned to
salivate on the sound of a bell, Americans and viewers in the world at
large were conditioned to smile at the mention of M*A*S*H. The voted
interests reduced a major conflict in America's history to the parameters
of a situation comedy and in the process did a grave injustice to the men
and women who sacrificed so much for so little recognition.

Neat little war indeed! Any Korean war veteran who has
returned on the Korea revisit program is reminded of the nobility of the
cause for which we fought. What we accomplished in Korea will have
impact as long as there is a free world. But M*A*S*H did little to
enlighten its audience on the true nature of the war.

The seminar on the role of the medical in the Korean war, to be held in
Reno, is a great idea. A full report should be published in The
Graybeard. It would afford us all a chance to use it as a new release to
address our local papers. The Korean war vet is working against
time. Our numbers are diminishing with each passing year. It is
imperative that we now displace the M*A*S*H myth with the truth.
Ten years down the line is too late. If we don't act now Larry Gelb and his
 ilk will have won and the truth will be buried with us. Korean war
veterans, and media in particular, deserve better. It is hoped that the
upcoming seminar is the beginning of a new era. It's a perfect way to
launch another phase of our crusade to 'Tell America About The
Korean War.' Expose the M*A*S*H myth for what it is!

CONGRESS IS NOT CREATED EQUAL

The following letter came from a veteran of WWII and the Korean War. He was Infantry enlisted; went on up with battlefield commission. Among his awards are the Combat Infantry Badge With Star. In WWII he was with 71st Inf 14th Inf Regt. In Korea he was with 7th Inf 32nd Inf Regt L Company. In civilian life he worked 30 years for the federal government and has ten years experience as an industrial engineer.

To the Editor: Isn't it interesting and disgusting how the budget process and the deficit being handled by Congress continues to "exclude" an "unbridled sacred cow" identified as separate and independent congressional growing staffing support (approaching approximately 50,000); their salaries, a pension program which provides ten percent plus allowance over and above other federal employees and expenses for themselves that are rarely scrutinized.

All of these specialties aren't bad enough, but they formulate separate criteria, rules and regulations for themselves apart from the rest of America.

We the people of this country have the best system in the world, but we allow our elected officials to satisfy their own whims, established rules apart from other Americans and expend funds without full complete scrutiny. We can accomplish and remove these unfair practices through our voting rights. Let us not lose our values of equality, freedom and voice at the voting polls.

Sincerely, DOUG FARGO; 157 Thscawilla Hills, Charles Town, WV 25414. Phone 304-725-0817.

"... A HOP HEAD'S PICTURE...

"Dear Stan: Looking thru the paper today and I see where Washington is having ballots printed up for the post office. The people can pick what picture of 'Elvis' to put on our stamps. I do not believe this crap.

"They don't want the people to know about the over 54,000 Americans who died in a war this nation forgot, and the over 8,000 that are still missing from Korea. If they want a picture of someone to put on our stamp, put our Medal Of Honor people from the past and present.

"The young people and future leaders of our country will have a hop head's picture to look up to. Just great."

——DICK WYSOCKE, 4242 So. Grove; Stickney, IL 60402.

Editor's Note: I agree, Dick. Some kind of strange reasoning is being used. And look at the many members of KWVA who do not realize there will be no names or title on the Memorial - and the same strange reasoning in the bureaucracy by many who don't want those names to be seen. Just who is at fault? Us - or them?*****

If we veterans - 'all wars' - are not willing and ready to step actively into the political campaign arena of 1992, then it is possible that all of our concerted efforts and sacrifice in war will amount to nothing as the Washington politicians strip our national treasury and drive our people into a state of anarchy and terrorism.

"Regarding the Mule: I am a strong advocate of a Commemorative Stamp in honor of the MULE. Probably, only us (we?) Korean War Vets and WWII Vets know the importance of the mule in our History and heritage. Stamps honoring Elevator, Comedians, W.C. Fields, Cattle, Horses, Elvis, W.E.B. DuBois; Wheel Barrow, Pop Corn wagon. Why not a stamp honoring THE MULE? It has been considered once unfavorably - at some time in future, maybe — it may be considered by the committee one more time. BEFORE JUNE 25, 1950

"— THE FORGOTTEN FEW"

Dear Editor: Do not forget those that were in Korea when it started.

I was a member of KMAG, one of the 400 men that were in Korea when the hostilities began in June 1950. I have not seen anything about the men and women that were stationed in Korea during the Occupation (1945-1949) and after the days of occupation (1949-1950). These were dangerous duties. Thank God. I came out on top and continued for a twenty-year retirement in the Army.

My wife and daughter were with me in Korea when hostilities began and were evacuated on a Norwegian Freighter to Japan. I haven't seen in any bulletins, VFW, Graybeards, etc. anything about the dependents who came home alive. Let's give thanks for all those that were in Korea at any time. They are all the 'Forgotten Few'.

—— Sincerely: ERWIN A. YARBROUGH, JR.; P.O. Box 363; Terry, MS 39170. KWVA Member #9979. May 4, 1992.

EDITOR'S NOTE: Thank you for telling us your brief story. However, Graybeards repeats what we say so often — unless you send us your story, we cannot print it. We have no staff; we have no facilities for pursuing stories; we have no staff for re-writing. We have just me — and you.

"IN 1988 I SUBMITTED A ROUGH DRAFT DESIGN..."

Re: KOREAN WAR VETERANS MEMORIAL

In 1988 I submitted a rough draft design for the Korean War Memorial which was similar to the Viet Nam Memorial. The difference was that (in my design) the Korean Memorial was shaped like mountains typical for Korea. In the center of the wall I showed a large outline of North and South Korea with a UN Emblem. The names of all KIA and POW on both sides of the wall. There would be no need of numerous architects, designers etc., and the cost would be very minimum.

I received a letter from the commission along with an application for the design and a fee of $30.00. Nuff said!

In November 1950 I was in Wonsan, North Korea where I took some 8MM movie films of the destruction rainned on that town. In another scene I took a shot of the Wonsan Police station, and on the marquise were the words BUCK KANG WON DO POLICE STATION. Would this be the jail where the captured crew of the USS PUEBLO were kept?

The USS HENRICO was the last ship to leave Wonsan evacuating all personnel on shore. I took some movies of the Henrico's landing boats filled with North Korean refugees fleeing from that town. The refugees were transported to a nearby merchant vessel.

If the present Memorial containing all those sculptured soldiers will be finalized you can bet that they will be target of vandals similar to the vandalizing of tombstones in cemeteries. Respectfully — LOUIS C. BAKULA (#8763) ex-RM2C USNR; 13 Littles Lane; Peabody, MA 01960.

He was instrumental in getting the piece of Korean granite our Memorial Statue will stand upon, and had it shipped from Korea.
Here is a picture of our Korean War Memorial — dedicated last July. We lost 20 men in Korea, and no one cared till some of us Korean Veterans wrote the local paper and raised hell about being forgotten when they announced they were putting up a Desert Storm Memorial and bypassing us Korean Vets again. This was for The Korean Vets of Grant County in the state of Indiana and was erected in Marion, Ind. It was a combination ceremony to honor Korea & Desert Storm Vets and out of about 50,000 people in this County only 75 showed up. A lot of the Korean Vets didn't even bother to come.

Most Korean Vets I talk too never believe they will live long enough to see a Korean Memorial in Washington D.C. In the last 3 months, 8 of them have died, just in our county.

BOOKS ABOUT THE KOREAN WAR

KOREAN WAR HEROES
By Edward Murphy
$24.95

"Korean War Heroes" tells the story of America's "Forgotten War" from a special perspective: the exploits of the 131 Medal of Honor recipients from the Korean War are woven into an anecdotal history of what actually happened, from the dark days of the Pusan Perimeter to the trenchwar stalemate at the end.

Author Murphy's narrative is fast-paced and exciting. He paints the "big picture" so vividly that the reader will easily grasp what happened during this agonizing and often confusing war.

But the heart of the book is the profiles of the Medal of Honor recipients. Men like Maj. Gen. William F. Dean, whose last-ditch defense of Taegu in which he personally fought oncoming North Korean tanks, and his subsequent captivity, are the stuff of legend.

Within each chapter, the stories of the heroes are told in expanded profiles. Throughout each chapter there are shorter, vignette-type profiles of other Medal of Honor recipients, giving brief accounts of their background and heroic acts. The result is an unforgettable view of the Korean War and of human nature in its finest moments.

CIRCLE OF COURAGE

"My book, Circle of Courage, was published in May, 1991 and I would be very grateful if you would put something in the Graybeards about it. As stated previously, I will donate 20% of my profits helping disabled veterans and their families."

The author, Charles R. Winder, was a tough fighting man. When he led his men into battle, it was with the knowledge that his men would be the last to leave the field. He was a man of great determination and a leader of unparalleled bravery.

"I'll never forget the look on my men's faces when we charged the enemy. They were ready to fight to the death," Winder said. "And they never failed me."

"In his realistic portrayal of fear, but with a captivating literary experience, the author makes reading his book a pleasurable experience."

"As the author, a fighting man, he writes that he had moments of fear, but the fear was invariably wiped away by the passion he had for the fight."

"LIKE ALL GOOD combat leaders, he was concerned constantly about the welfare of his troops. He saw that they had proper rations, that they had blankets when the weather was frigid and that they had everything needed to maintain high morale."

"A clear picture emerges of the author. He was a maverick, a constant annoyance to his superiors, especially spit-and-polish types who insisted on dress-parade neatness at the fighting front. Time after time his behavior toward his superiors is such that only one thing saved him from being court-martialed — the fact that he was an outstanding fighting man and a superb leader.

"His men admired and respected him despite his somewhat showoffish habits, which included tucking two knives in his boots, wrapping a scarf around his neck and fastening grenades to his belt. This macho appearance was tolerated by his men because of his deserved reputation as a lion in battle."

"IT'S A WONDER he and his few men survived the ferocious "human wave" attacks of the Communist Chinese, who greatly outnumbered their U.S. foes and were in addition, well-equipped."

"The author and his men took part in many of the bloodiest battles of the Korean War — Pork Chop Hill, T-Bone, Christmas Tree Ridge and others."

Charles Winder writes Escape and Evasion with a vivid storytelling ability, using stylish prose and suspense to create this unique presentation. While the story illuminates the saga of these men from August 1951 through October 1951, the memories that these harrowing events evoke in the reader of that time in our country's history are sure to affect every American. Mr. Winder brings all of his characters to life with the believability of the action and the true-to-life agony and heartache of war itself. Although he is the only surviving member of his group, he writes with the bold eloquence and fine sense of timing that breathes life into all those who have now passed away.

From its mellow beginning to its thrilling conclusion, this story is a captivating literary experience. In almost hypnotic fashion, the author weaves his tale of intrigue and excitement while portraying his rich understanding of human nature and the tricks it can play in the heat of battle. The pace is fast and furious, the moments of glory and anguish real, and readers will be turning page after page to see just what happens next.

Flowing like a power river, Escape and Evasion, by Charles R. Winder, is highly recommended for its action-packed plot, realistic characters and energetic rendering. This story is one of thousands occurring to servicemen throughout this "police action" war we fought, however, it is emblematic of the courage and honor of those who fought it. Read it and feel your chest burst with pride!

ABOUT THE AUTHOR Charles R. Winder was born in Morton, Texas, and he attended school in Morton and Lubbock, Texas, before joining the Army in 1949. After basic training and leadership school, he went through Airborne training jump school and Ranger training, eventually ending up in Korea in 1950 with the 4th Airborne Ranger Company. Wounded, captured and tortured by the enemy, he escaped with several buddies and evaded the enemy for almost two months while making his way back to safety. He was one of the most decorated soldiers in the Korean War, having been awarded the DSC, Silver Star, two purple Hearts, United Nations Medal, Korean Service Medal with six battle stars and the Conspicuous Service Citation.

After being medically discharged from service in 1969, Mr. Winder attended Texas Tech University, Eastern New Mexico University and Sul Ross State College. He earned a BA in Civil Engineering and became a general contractor until his retirement in 1989. He has written this book, in one sense, as a detailed account of the treatment of POW's in Korea, and most of it was written while the author was a patient in VA hospitals in La Jolla, California, and Amarillo, Texas. The author continues to be a lifetime member of the 4th Airborne Ranger Company Infantry Association, the Veterans of Foreign Wars, the American Legion and the Korean War Veterans Association.

His greatest support comes from his loving wife of thirty-seven years, Betty. The couple have two children and one granddaughter. This is Mr. Winder's first published book.

Korea, 1951. The author, Sergeant Charles Winder, and two of his companions are caught behind enemy lines. They are force-marched for six days, suffering tremendous torture at night, with the promise of spending the rest of the Korean War in an enemy prison camp looking before them. With a remarkable surge of guts and glory, they escape their captors just hours before incarceration into a North Korean prison. Thus begins this fascinating and fact-based tale of how these brave men evaded the enemy and survived on their way back to their own lines and safety. The trek took forty-eight days. Forty-eight unforgettable days.

Charles Winder writes Escape and Evasion with a vivid storytelling ability, using stylish prose and suspense to create this unique presentation. ARE YOU OUT THERE?

I am looking for ALBERT MARTIN GARBADE JR., who served with Heavy Mortars, 2d Bn, 65th Inf. Regt., 3rd Inf. Div. in Korea in 1951. He was awarded a Silver Star for heroism above and beyond the call of duty in an action during the battle of the Imjin River. The battle involved 2d Bn, 65th Infantry Regiment and it occurred the night of April 25-26th, 1951. I’m including a chapter in a book I’m writing about this particular action so any man involved in that action may be able to help me. Easy Company, 15th Inf. Regt. was in blocking position to witness the firefight which took place to his front. Dawn of the 26th we were subjected to an accidental napalming by ‘friendly’ jets. Anyone serving with Company ‘E’ 15th Inf. Regt. during this time frame could also be of help. Contact Richard Coates, 205 Hicks St. IC, Brooklyn, NY 11201. Or call 718-625-4241.

Thanks for printing my notice about Army Captain (Chaplain) EMIL KAPAUN. Many Korean vets contacted me; in fact, my wife and I were at a parish dance recently and someone approached me to say that he had seen my notice in The Greybeards publication.

I note that the 1992 reunion of the Korean War Veterans Association is scheduled for July 24 to July 28. If anyone attending knew Chaplain Kapaun, I would appreciate it if he would contact me. I am writing a biography of Chaplain Kapaun. He was with the 5th Cavalry Regiment and was captured at Unsan. He died in May, 1951 at Camp No. 5, which was located at Pyukong, North Korea.

WHERE ARE THE SURVIVORS?

The purpose of this letter is to ask your assistance in locating the surviving pilots of the crash of eight F-84 Thunderjets near Richmond, Indiana on June 8, 1951. The 8 jets were part of a group of 34 en route to Selfridge AFB, Michigan from Wright-Patterson AFB, Ohio.

The following is a list of the crash survivors, with rank at the time of the crash:

Maj. Richard E. Willsie.

Capt. Robert A. Jackson.

Capt. Bryce (or Brice) E. Long.

Lt. John R. Bonar.

Lt. Eustace D. Ciltarp.

I do not have any records of their memberships, would you please include a notice in your magazine stating that I am trying to locate them or anyone with knowledge of their whereabouts for the purpose of writing a historical account of the crash. Thank you for your assistance.

—JAMES M. DULLY; 1611 Wane Court; Fort Wayne, IN 46808-1807, March 18, 1992.

The purpose of this letter is to ask for your assistance in locating my old Army buddy CPL. NORMAN SCHUMAN.

He was born about 1929 or 1930, and served in the Army from about 1947, to the summer of 1951. He served in Germany, and was sent to Korea in Feb. 1951. He was regular Army, assigned to the 568 Heavy Maintenance Co. Tank, a National Guard outfit from Nashville, Tennessee, that was activated during the Korean War.

In the 1950s he lived in New Jersey near Route 46, possibly near Clifton, N. J. I do not know his social security number, or his old service number.

I also served in the 568 H.M. Co. (Tank) in Korea, from Feb. 1951 to Nov. 1951; service number was 52031503.

Thank you for your assistance: Harold N. Schmidt; 857 Poplar Rd., Hellertown, Pa 18055.

I would like to tell you how much I enjoy and look forward to "THE GRAYBEARDS". The only information I get about the Korean War Memorial is from this newsletter.

I'm enclosing a snapshot taken in Korea at "Lukes Castle" Nov. 1952. These soldiers were in 2ND PLATOON CO. "E" 197TH REG 45TH DIV. The Platoon leader on the left is Lt. I am a member of KWVA and I am searching for WARRANT OFFICER RIGGLE. He served with the 623 Field Artillery battalion in Korea in the early 50's. This was a Kentucky National Guard outfit that was activated. I was one of the first replacements, so they could return to the states. They were in 1-CORPS in support of the Marines for most of our tour. I searched the information directory of Warrant Officer Riggle's home town, Monroe, Ill., to no avail. I would like to hear from anyone in 623 Field Artillery battalion. I was in supply in B Battery and supply sergeant in A Battery. When the cease fire was signed we were one of the first outfits into Camp Casey.

Thank you for any information; please send to the following address: John Breslin; 3535 Alta Vista; Sterling Heights, MI 48312.

DELAWARE CHAPTER NO. 1

P.O. Box 25, Millsboro, DE 19966

Nicholas "Nick" Pappas of Rehoboth Beach was elected president of the Korean War Veterans Association of Delaware Chapter 1 at a meeting held April 12. Officers elected to serve with President-Elect Pappas for the 1992-93 years include Bill Carr, first vice president; Jacob Keifer, second vice president. Walter Farren, secretary: Wilmer Long Jr., treasurer; T. Eugene Womach, chaplain: Walt Farren service officer; and Nicholas Togues, POW/MIA chairman.

The newly elected officers were officially installed May 17 at 1 p.m. at American Legion Post #28, Oak Orchard. Installing officer was Harry Wallace, second vice president of the KWVA national office. Chapter 1, which meets at Mason-Dixon YFW Post #273, currently has 132 members. A charter to establish Chapter 2 in northern Delaware has been filed with the KWVA national office. Future plans include the establishment of a Department of Delaware KWVA.

"Plans are being formulated to reach out to the approximately 13,000 Korean War veterans living in the state", said Nick. Incidentally, NICK PAPPAS has thrown his hat in the ring, and is now a declared candidate for National KWVA 1st Vice President.

ROBERT WURTSBAUGH CHAPTER

P.O. Box 1983; Danville, IL 61834

This chapter's newsletter "The Korean Monitor" included this information: Officers are Ray Spicer, President; Howard Varner, 1st Vice President; Daniel Schliff, 2nd Vice President; Theo McConnell, Treasurer.

It is with the greatest humility, said Ray Spicer, "that I accept the challenge to be your President. Being the President of the Robert Wurtsbaugh Chapter is a big responsibility and not something to be accepted without considerable thought... any organization to be a success must have a goal, in the past we had the memorial in Washington. To keep on being successful we must have a new goal. May I suggest the State Memorial and that we really get to work on the POW/MIA's to see to it that something is done favorable in this area. Let me suggest that we each one write to our congresswoman; if you don't know who that is or his or her address let me know. But let us not forget the Memorial in the Nation's Capital. It isn't built yet. Let's forget Negative: is why there is no monument to our fallen Comrades and that our war has been forgotten. We didn't plan it that way, it just happened that way... I am going to put a plea in this time for more support and help from the membership. We need more people attending meetings and the functions. In other words I can't plan things to help the entire membership unless I know what the entire membership feels on. What do you like about the organization? What are your dislikes? With your input we can do things that we are all interested in."

FOR "TELL AMERICA"

NEW JERSEY CHAPTER

634 Collax Ave.; Kenilworth, NJ 07033

The chapter newsletter "Bunker News" is edited by Bob and Evelyn Wacker and a recent edition included these items:

STATE PRESIDENT'S MESSAGE — The time has come when we must now decide amongst us: see we going to stand up and work and join together on things concerning us, or just leave it to a few that are dedicated to you and your interests and as they wear out or die, so does our place in America's history as the "Korean War" — second bloodiest war in history — second only to our Civil War. I don't want to hear you're too old — that's a poor excuse for a cop-out. We your comrades want and need your help, no matter how or what you have to offer with it and supporting each other, we will make our goals possible.

DUES AND PLATES — Many of you have not paid your Chapter dues or do not even belong to a Chapter. This is and will be corrected. The State of N.J. Division of Motor Vehicles has offered to make Special Plates for N.J. Korean War Veteran Association members with the emblem on the plate and all — 175 sets of plates at $15.00 a set will start us off. Keep in mind you must be paid to date at National and a member of a N.J. Chapter to be eligible for these plates. The plates will be ordered through the KWVA at my office. A $15.00 check to KWVA and a photo or xerox copy of your registration for the vehicle you want the plates for must accompany your National numbers and Chapter to us.

CHAPEL FLAG — I would like to thank those of you who made donations toward our flag to be put in Gen. William C. Doyle National Cemetery Chapel along with all the other veteran's groups. As your president, to those who gave, I say thank you for caring. We still are somewhat short, but I feel with each State Chapter, plus the State's Officer's donations, we will make it with no problem. The cost is not cheap, — $600.00. Be Proud. You will be notified of the date for presentation. We should all make an effort to attend this program. A special note! The first veteran buried in the National Cemetery was a Korean Veteran (#1 grave.)

PRAYER

O God give us strength
For all the missions that you
Have given all of the "KWVA's".

You assembled all of us
Same forty years ago
To help a poor frightened
South Korea from the murderous
Army of the North Korea and China.

And now some forty years later
You have assembled all of us
For yet another mission
And that great mission is to
Honor our fallen comrades
Of that mission some forty years ago.

So all of the world will remember them
That they are not forgotten
So help us God.

—CARLOS BALLARD (1st MarAW MAG 12 1952-53); 10615 Brighton Lane; Stafford, TX 77277.

Election of officers for 1992 was held — and then came a surprise: newly-elected President C. EDWARD KARST decided to run for election to the United States Congress and regrettably resigned as our president. We understand. So the Board of Directors voted to have Past President Anthony A. Birkel, Jr. fill the unexpired term.

Other officers elected are: LAMAR O. HOOKS, Vice President; GEORGE L. HUHNER, Sec.; MILROY J. BEYDLER, JR., Treasurer. BOBBY KNIGHT, Chaplain; LAWRENCE H. CHAPMAN, Judge Advocate; SENA PETERSEN, Sgt-at-Arms; Exec VP is ROBERT HATFIELD. Directors elected are ROBERT HATFIELD, BOBBY KNIGHT, SENA PETERSEN, and DAN MOYLE.

Our Bingo Game which is held every Sunday at the Napoleon Room in Metairie is doing great. We need workers. If we can expand our membership this will no doubt help us find bingo workers, so lets put out a little effort and try to bring in some new members.
MONROE COUNTY CHAPTER NO. 1
36 Tilegate Glen; Fairport, NY 14450

The Monroe County Chapter No. 1 of the Korean War Veterans Association has "Adopted" a two and one quarter mile section of Route 441, in Brighton and Penfield, under the state DOT's "Adopt-A-Highway" program. Under this program, the KWVA will be responsible for trash and debris removal on a scheduled basis during the next two years, thus making the highways safer for motorists and more pleasant for the community. If you have any questions about this chapter and its members, please call DONALD COFSKY, PRO, 716-223-7782. He added this: "We are the first local Veterans organization to participate in this program, and hope that our leadership in this effort will result in other Veterans groups 'adopting' other sections of area roadways. I believe that our group's involvement in Rochester may be the first such involvement of any Chapter in the nation."

MISSOURI CHAPTER NO. 1
P.O. Box 190075; St. Louis, MO 63119
PAUL S. PHILLIPS, Commander

This chapter newsletter offered comments and news that are among the most thoughtfully-aware and informative of any sent to Graybeards. Examples are as follows:

- Commenting on the recent VA plan to slash the budget for veterans' services as proposed by Sec. Derwinski, "It would seem time for the Secretary (and the present Administration) to review both the population and their priorities. Granted, we have bocked our national fiscal souls to support the rest of the world -- and to pay for developing such valuable shrines as the Lawrence Welk Birthplace. Yet, with the reconing of the international situation, moajies could be redirected from Defense, and such wasteful boondoggles as HUD and St. Louis' own Light Rail Project, to keep the promises made so many years ago.

- "There are still 4,726,000 Korean War era veterans living. However, the average age is climbing. As of right now, it is 60.97. By comparison, the average age of the 8,469,000 WWII vets is 69.63 and that of the 8,303,000 Vietnam vets is 44.55. Incidentally, there are still 65,000 of the 'Doughboys' who went over the top in 1917-18. And lest you believe that War is a macho affair, there are 1,234,300 lady veterans among the total of 26,629,000 veterans in this country (average of all categories: 55.63)."

- "By our reckoning, that's about the size of vote it takes to tip the scales in a national election. Perhaps those who seek should take time to look at the records of those who hold office, as well as those who seek it. Those who spurn us do not deserve our vote. Those who do should be supported if their overall record is acceptable, no matter their party affiliations. We're not taking sides; just doing a little thinking out loud."

And their Fund Raiser is an exciting offer:

Several of our members attended the February National Mid-Winter conference in Miami. We were impressed with the dedication and professionalism of the K.W.V.A. Board. Fellow members can be assured that our organization is in good hands.

Col. Alice Grisavage received the Korean War Medal from the Korean Counsel Dr. Dong Ho Kim at the banquet. Our chapter is proud of Col Alice and more significantly of her many contributions during her Nursing Career.

Our members have decided to try and build up our Treasury to pay for a bus to go to Wash. D.C. when our Memorial is built. It is an ambitious undertaking — but Tony Caccio’s ideas have worked before.

In March, Director of Vet Affairs Alvin Wiley was our guest speaker and gave an informative talk. Pres Chuck Kiernan mentioned that our legislators are working on plans to benefit our vets. He has personally been in touch with them.

Robert Burke donated a unique Korean War pin for the drawing, and our president Chuck Kiernan deserved winning. Our other fun prizes were won by Joe Smith, Tony A. Perez and Robert Burke. Another marine signed aboard John Jeffers of New Smyrna Beach. Get well to Jim Kiernan and Russell Gerald. Looking forward to seeing you at the meeting.—AMY CARAFANO, Secretary, K.W.V.A. Ocala.

ARIZONA CHAPTER #1

Hello to all from Chapter 1 here in Phoenix. We now have Chapter II in Tucson. Don’t like to lose members but we are glad they could start a chapter there and am happy to report their membership, from a start in Oct. 91, is over 75 at this time. I really think the big boost came from our God Father Emmett Benjamin, who was our reunion Guest of Honor last Oct. in Phoenix.

This may be bragging a little but I met Emmett in Oct 88 at a KFW reunion in Col Springs. I was so moved by him I started forming a Chapter when I got back to Phoenix. By Jan 89 we had a charter and are now at 233 members. This number takes us to 12 different states and we have members not only U.S.A. but Canada, and So. Korea, a Medal of Honor Recipient and 59 life members. I’m sure this can be beat but we are trying.

We put out 10 newsletters a year and have Chapter Uniforms, Chapter identity caps and $3500 in the bank, and you guys thought we do is play Cowboys and Indians out here in the desert.

For the book: I served with “E” Co., 160th Inf Regt. 40th Div from Oct 50 - Oct 52. My 3rd year was at Fort Hood, Texas.

We are always excited to hear from other chapters. Any chapter that will put us on your mailing list will be put on our mail list. Our address is: Korean War Veterans, Inc; P.O. Box 11767, Phoenix, Aziz. 85061-1767. Looking forward and best to all. Phone 602-272-2418.

TEXAS LONE STAR CHAPTER on April 16, 1992, gave oath of office to its new officers. Shown administering the affirmation is Chaplain ROLAND POTTS, to (L to R) BILL KIRCHHEIM, President; DON FOISIE, 1st Vice President; J. DeBENEDETTO, 2nd Vice President; and JERRY WEBER, Sec-Treas.

JERRY WEBER sent these photos and added: 'This is a photo of our Chapter’s Korean War Panel. It measures 8 feet high by 24 feet long and is joined in three sections. It has been a big hit at all veterans’ day functions and a big source of attraction by TV and other news media. The Wall was copyrighted by us in May of 1991. It is now covered with clear plastic and has the names of the 1700-plus from Texas who were killed during the Korean War. (Unfortunately, we cannot reproduce stat copies in Graybeards).

'We are proud to note that Lt.-Gov. BOB BULLOCK of Texas is a Life Member of our chapter. Recently, retired LtGen (USMC) RICHARD CAREY also joined. And we are loaded with doctors, judges, politicians, professional business men and a bunch of hard-working Korean War veterans. We are justly proud of our organization and our 200 members — in just 15 months!'

DID YOU NOTICE THAT TIME INC. FAILED TO USE PHOTOS OF THE KOREAN WAR IN ITS SPECIAL COLLECTORS EDITION??

The letter from President DON B. URQUHART, CD, included:

MEDAL PRESENTATIONS — I have received word from many units across Canada as to Presentation Ceremonies that have taken place in regards to the Canadian Volunteer Service Medal for Korea. My congratulations go out to all of the recipients of the medal. It was a long time in coming, but we are very proud to finally have it presented to us.

NEWEST UNIT CHARTERED — Cactus Unit #64 received its charter at an impressive ceremony held in Medicine Hat on 21 March, 1992. Visitors for the occasion arrived from units in Vancouver, Edmonton, Calgary, Lethbridge Cranbook, and Saskatoon.

Many of those attending from the Edmonton area wore the new formal dress for our association. Their green bow ties worn with white shorts and green cummerbunds looked very impressive with the miniature medals worn.

COMMEMORATIVE STAMP-KOREAN WAR — A big thanks to Les Pike of Ottawa and Don McClellan of Surrey, B.C. for their combined efforts on our behalf to try to have a Canadian Commemorative Stamp issued to honour those Canadians who fought and died during the Korean War. It looks like the earliest date would be sometime in 1993 or 1994. We wish them much success in their endeavors.

K.V.A. OF CANADA INC. NATIONAL CONVENTION — The very hard working Convention Committee in Victoria, under the Directorship of John Carson, CD, and Convention Chairman Gerry Ratchford are doing their best to see that this year's convention will be the best ever for our association. Everything is falling into place very well. The committee is anxious to receive more registrations, although it is known that many units will not be registering their delegates until they know how many will be allotted by the Executive Secretary 90 days prior to the Convention. If you know that you are going to attend, please make your intentions known now to the committee for planning purposes. All convention questions may be directed to John Carson at 1106 Craigflower Road, Victoria, B.C. V9A 2Y1 Phone (604) 386-6545.

"IT WILL BE A MILESTONE IN YOUR LIFE"

On April 10, 1992 I had the opportunity to return to Korea for a revisit to some of the same areas where I had served with the 7th Division in 1951-52. I took advantage of this rare opportunity along with 37 others who were either Korean war veterans or some of their family members.

Now 40 years have passed and South Korea has a new look that I am happy to pass on to others who have not had the opportunity to see for themselves.

The people of South Korea have their freedom. They have a lot of respect for military personnel from the U.S.A. and the other 15 United Nations countries that contributed to the great effort of the Korean defense.

If you haven't returned to Korea since the war, there is very little that you would recognize. The hills are still there but they don't look the same. The hills aren't barren any more, there is a solid growth of trees up to 35 feet tall. It is especially beautiful in the fall colors.

There are wide hard surfaced streets and highways. Seoul is a very modern city of approximately 11 million population compared to 300,000 in 1950.

There are approximately 20 beautiful bridges that span the Han river in Seoul. There are high rise buildings up to 63 stories. The hotels are large and as fine as you would find anywhere. The subway system is modern and massive in size, it will take you to some of the nicest shopping areas that I have ever seen. Seoul is a large modern city that can stand with the best of cities throughout the world.

I always knew that we did a good job during the war in Korea, and I know now that the Koreans are very thankful for our extreme efforts.

The Korean war was probably the most vicious war ever in modern history. There were some good that came from that war, a better life in freedom for the people of South Korea.

You should try to revisit Korea. It will be a milestone in your life.

I love the people from the land of the morning calm, where I seemed to have done a lot of growing up during the eleven months that I served there in 1951-52.

Our EX-POWS SHOULD HAVE BEEN HONORED

We arrived in Washington D.C. on Saturday, June 13, 1992 with much emotion, and pride. The fact that we were finally going to have the ground breaking for our monument left us with an extreme feeling of happiness.

However, we left the memorial area on Sunday with a feeling of dismay. We do not understand how our organization could have forgotten our MIAs, and EX-POWs, as our country forgot our "Forgotten War". I do not understand why we could not, on the reviewing stand, bring to the attention of General Kelley, at the least, that he did not recognize our MIAs AND EX-POWs. Personally we think that there should have been a symbolic area left empty to represent our MIAs and that our EX-POWs should have been honored by being seated on the reviewing stand, ahead of many of the other people who were sitting in this place of honor.

I am sure that this was not a malicious omission, but one of not thinking by the powers that be. I asked one of the secret service men to bring this to General Kelley's attention, but to no avail.

We respectfully request that you see to it that a statement by General Kelley acknowledging this oversight is printed in the next issue of the Graybeard. Our MIAs, and EX-POWs deserve this acknowledgment, for who of our comrades suffered more than the men held in captivity, and those who still are unaccounted for, some of who may still be suffering to this date.

—DONALD FELDMAN; and ex-POW WALTER BRAY; Chowon Chapter; Paramus, NJ.
