MAYBE YOU CAN HELP?

PerHAPS WEc CAN HAVE A "Driving with Headlights on Campaign" AS AN AWARENESS MOVEMENT FOR OUR MIA'S AND KIA'S OF THE KOREAN WAR?

I have been sending this letter to all parts of the country to ask those who write for the "Korean War" bumper stickers to contact their local Newspapers, Radio and TV Stations, to make public announcements to honor America's MIA's and KIA's of "The Forgotten War". Will you try to get the following announcement made?

ALL KOREAN VETERANS, FAMILIES, FRIENDS AND SUPPORTERS OF THE KOREAN WAR MEMORIAL ARE ASKED TO DRlVE WITH THEIR HEADLIGHTS ON TO HONOR ALL MIA'S AND KIA'S OF THE "KOREAN WAR", STARTING JAN. 21ST AND CONTINUING UNTIL OUR U.S. SENATE VOTES TO FUND AND BUILD A "KOREAN WAR MEMORIAL" IN WASHINGTON, D.C.

Many letters are already out there and many more will follow. If we can get enough small Town Papers, Radio and TV Stations to make the announcements, the Networks may pick up on it and turn it into a NATIONAL MOVEMENT. We need your help---PLEASE!
