Hello,

Here is the tape of the 1952 Radio Broadcast, "Spite of Heartbreak Ridge."

We're still waiting for input about the Memorial Committee Assignments and the "hook up" to get this program of contributions going to ABMC.

This last Monday, my chapter here in Battle Creek of the Military Order of the Purple Heart made a motion to send $2000 to the ABMC. We're going to publicize it locally and in the National publication of the Military Order of the Purple Heart magazine. Keep up the good work!

Sincerely,
