Dear Hal,

Thanks for your letter, commenting on the NCKW M. When I first learned of it, I volunteered for two reasons. First, a memorial is long overdue. Second, I don't want it to be a repeat of the dismal "VN War Wall." I want to have a voice in the end result. The desires of the KW veterans must win over the aesthetic.

At first, I had a good rapport (by mail) with myron mckee. Now, the effort if there is an organization seems to have lost its momentum. I am suspect of some of the individuals listed and question their relationship to the Korean War and its participants. I have a lot to learn about this type of an activity, and feel a responsibility to those who contribute because of my letter. I will appreciate your help.

Sincerely,
I wish there was some way I could assist you. I no longer have any contact with either the Korean Veterans Assn. or the U.S. military hierarchy in Korea. I wish you luck.

Sincerely,

Paul Freeman

PS From the scribble you can tell that my right arm has not yet responded to surgery.
