The Honorable William J. Coyne  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Bill:

The House Administration Committee has recently reported to the full House legislation, H.R. 2205, authorizing the construction of a memorial in Washington to honor our nation's Korean War Veterans.

As one of Pennsylvania's three Representatives on the Veterans Affairs Committee, and on behalf of its 275,000 Korean War Veterans, I urge you to support this long overdue legislation to pay tribute to the dedicated men and women who fought for our nation in Korea.

Our nation's capital now has a monument to honor the veterans of every major war our nation has fought in except for the Korean War even though their sacrifice was just as great. With this legislation we can correct this injustice and pay a proper tribute to those who unselfishly served their nation during its time of need.

Sincerely,

Paul E. Kanjorski  
Member of Congress
