Dear Dr. Kim:

This is in response to your letter of September 23, 1982, inviting me to become a member of the jury which will select a design dedicated to the memory of those who participated in the Korean Conflict.

I will accept and will arrange my schedule so as not to have any conflicts in July, 1983.

I would appreciate information, when it becomes available, concerning details about the manner in which the competition will be conducted and the estimated amount of time the jury will meet.

I will be looking forward to this experience which I believe will be a most interesting one.

Sincerely yours,
