RE: Korean War Memorial

To Whom It May Concern:

In December, 1984, I made a $10 contribution to the American Battle Monuments Commission, and started the Korean War Veterans Memorial Fund. Much has happened since then.

Your own early donation to the Memorial Fund is a private matter, so I have asked the American Battle Monuments Commission to forward this letter to you, with the hope that you might consider contacting me.

I am attempting to contact the first 50 contributors to the Memorial Fund in preparation for a future book about the early contributors to the Fund. Each of us has different reasons for remembering the Korean War. I would like to know your reasons.

My own father was a helicopter rescue pilot with Marine Observation Squadron Six in 1951-1952. He would never talk about the ribbons on his uniform, or the Silver Star he won at Heartbreak Ridge. I had to find out for myself.

I have included a stamped envelope with the hope that I might hear from you soon.

Sincerely,

Hal Barker
Dear Hal:

I spent 32 years in the Navy and awarded the Navy Cross, Silver Star, 4 Bronze Stars and other minor awards, all totaling at least 12 of them. Had to be retired 100% disabled; I do not talk about what happened when I was there. Plus I have (6) purple hearts. Thank you for writing me. I hope this covers the subject.
