To Whom It May Concern:

In December, 1984, I made a $10 contribution to the American Battle Monuments Commission, and started the Korean War Veterans Memorial Fund. Much has happened since then.

Your own early donation to the Memorial Fund is a private matter, so I have asked the American Battle Monuments Commission to forward this letter to you, with the hope that you might consider contacting me.

I am attempting to contact the first 50 contributors to the Memorial Fund in preparation for a future book about the early contributors to the Fund. Each of us has different reasons for remembering the Korean War. I would like to know your reasons.

My own father was a helicopter rescue pilot with Marine Observation Squadron Six in 1951-1952. He would never talk about the ribbons on his uniform, or the Silver Star he won at Heartbreak Ridge. I had to find out for myself.

I have included a stamped envelope with the hope that I might hear from you soon.

Sincerely,

Hal Barker
Re: Korean War Memorial

Dear Mr. Barker,

My check to the memorial is dated 23 September 1985. If that puts me in the first 50 donors, I will be happy to communicate further with you about my reasons.

Yours truly,

Robert M. Jones
