Dear Hal;

I am still being bombarded with mail and calls and I don't think I will ever catch up. Bill asked me to send you the copy of Chap. Pierce's letter to Sen. Wallop. He called me just a short time ago and told me that he talked to Wendy in Wash. He sounded pleased but I have not replayed it in my mind yet to feel out what he had told me.

I am sending you a copy of a letter I got from some Jerk by the name of BLACK. Also attaching a copy of my letter to him.

Also coming your way is a PRESS RELEASE from Berwick's Mayor, I thought you would like to see it?

Things seem to be working. I feel good about things here because I get to see hundreds of repeat letters telling me that things look good. I guess you can say that I am at war. It is them or me. As you know, I don't give up????

A reporter from our local paper spent over 2 hrs here yesterday and was shocked to see what was going on under his nose. Also had picture taken with box of letters and holding stickers.

That's all for now. my friend.
